

NexaTech Solutions - Attendance and Working Hours Policy

Policy ID: HR-ATT-011

This policy defines standard working hours, attendance expectations, and absence communication requirements.

1. Standard Working Hours

The standard working schedule is 9:00 AM to 6:00 PM, Monday through Friday.

2. Attendance

Employees are expected to maintain professional attendance and remain available during scheduled working hours.

3. Planned Absence

Employees should communicate planned absences to their reporting manager in advance.

4. Remote Employees

Employees working remotely must maintain their normal working schedule and remain available through approved communication channels.

5. Attendance Records

Employees may be required to maintain accurate attendance records according to applicable company procedures.
