

NexaTech Solutions - Employee Reimbursement Policy

Policy ID: FIN-EXP-006

This policy defines the expenses that employees may claim for legitimate business activities.

1. Business Travel

Reasonable transportation and accommodation expenses incurred during approved business travel may be reimbursed.

2. Meals

Employees may claim reasonable meal expenses during approved business travel. Original receipts must be submitted with the reimbursement claim.

3. Internet Reimbursement

Eligible employees working under approved remote arrangements may claim up to INR 1,000 per month for business-related internet expenses.

4. Approval Limits

Expense claims must be approved by the employee's reporting manager. Higher-value claims may require additional finance approval.

5. Submission Deadline

Reimbursement claims should normally be submitted within 30 days of the expense date.
