

NexaTech Solutions - Travel Expense Policy

Policy ID: FIN-TRAVEL-009

This policy defines reimbursement rules for approved business travel undertaken by employees.

1. Travel Authorization

Employees must obtain manager approval before making business travel arrangements.

2. Transportation

Reasonable airfare, rail, taxi, and other approved transportation expenses may be reimbursed when supported by valid receipts.

3. Accommodation

Employees may claim reasonable hotel accommodation costs for approved business trips. Accommodation should follow company travel guidelines.

4. Travel Meals

Reasonable meal expenses incurred during approved business travel may be claimed with original receipts.

5. Travel Claims

Travel expense claims should be submitted within 30 days after completion of the business trip.
